

MASTER SERVICES AGREEMENT

This Master Services Agreement is made between Alpha Trading LLC (the Supplier) and Beta Holdings Ltd (the Customer).

1. Change Control (1)

The Supplier shall maintain complete and accurate records relating to the Services and make them available on reasonable request.

References to a statute include that statute as amended or re-enacted from time to time and any subordinate legislation made under it.

The parties shall cooperate in good faith to give effect to the provisions of this clause and shall each bear their own costs in doing so.

2. Audit Rights (2)

Neither party shall be deemed in breach of this clause to the extent that performance is prevented by circumstances beyond its reasonable control.

Where a Service Level is missed the Supplier shall promptly investigate, report on the cause and propose a remediation plan to the Customer.

The parties shall cooperate in good faith to give effect to the provisions of this clause and shall each bear their own costs in doing so.

3. Waiver (3)

The parties shall cooperate in good faith to give effect to the provisions of this clause and shall each bear their own costs in doing so.

The parties shall cooperate in good faith to give effect to the provisions of this clause and shall each bear their own costs in doing so.

The Supplier shall maintain complete and accurate records relating to the Services and make them available on reasonable request.

4. Intellectual Property (4)

Any notice given under this clause must be in writing and delivered to the address stated in the relevant Statement of Work.

The parties shall cooperate in good faith to give effect to the provisions of this clause and shall each bear their own costs in doing so.

Where a Service Level is missed the Supplier shall promptly investigate, report on the cause and propose a remediation plan to the Customer.

5. Intellectual Property (5)

Where a Service Level is missed the Supplier shall promptly investigate, report on the cause and propose a remediation plan to the Customer.

The parties shall cooperate in good faith to give effect to the provisions of this clause and shall each bear their own costs in doing so.

Any notice given under this clause must be in writing and delivered to the address stated in the relevant Statement of Work.

6. Counterparts (6)

Where a Service Level is missed the Supplier shall promptly investigate, report on the cause and propose a remediation plan to the Customer.

Where a Service Level is missed the Supplier shall promptly investigate, report on the cause and propose a remediation plan to the Customer.
